Risk Disclosure

Day Trading Risk Disclosure Statement (FINRA Rule 2270)

Day trading is extremely risky. Day trading generally is not appropriate for someone of limited resources and limited investment or trading experience and low risk tolerance. You should be prepared to lose all of the funds that you use for day trading. In particular, you should not fund day-trading activities with retirement savings, student loans, second mortgages, emergency funds, funds set aside for purposes such as education or home ownership, or funds required to meet your living expenses. Further, certain evidence indicates that an investment of less than \$50,000 will significantly impair the ability of a day trader to make a profit. Of course, an investment of \$50,000 or more will in no way guarantee success. Be cautious of claims of large profits from day trading. You should be wary of advertisements or other statements that emphasize the potential for large profits in day trading. Day trading can also lead to large and immediate financial losses.

Day trading requires knowledge of securities markets-Day trading requires in-depth knowledge of the securities markets and trading techniques and strategies. In attempting to profit through day trading, you must compete with professional, licensed traders employed by securities firms. You should have appropriate experience before engaging in day trading.

Day trading requires knowledge of a firm's operations-You should be familiar with a securities firm's business practices, including the operation of the firm's order execution systems and procedures. Under certain market conditions, you may find it difficult or impossible to liquidate a position quickly at a reasonable price. This can occur, for example, when the market for a stock suddenly drops, or if trading is halted due to recent news events or unusual trading activity. The more volatile a stock is, the greater likelihood that problems may be encountered in executing a transaction. In addition to normal market risks, you may experience losses due to system failures.

Day trading will generate substantial commissions, even if the per trade cost is low. Day trading involves aggressive trading, and generally you will pay commissions on each trade. The total daily commissions that you pay on your trades will add to your losses or significantly reduce your earnings. For instance, assuming that a trade costs \$16 and an average of 29 transactions are conducted per day, an investor would need to generate an annual profit of \$111,360 just to cover commission expenses. Day trading on margin or short selling may result in losses beyond your initial investment. When you day trade with funds borrowed from a firm or someone else, you can lose more than the funds you originally placed at risk. A decline in the value of the securities that are purchased may require you to provide additional funds to the firm to avoid the forced sale of those securities or other securities in your account. Short selling as part of your day-trading strategy also may lead to extraordinary losses, because you may have to purchase a stock at a very high price in order to cover a short position.

Extended Hours Trading

Risk of Lower Liquidity-Liquidity refers to the ability of market participants to buy and sell securities. Generally, the more orders that are available in a market, the greater the liquidity. Liquidity is important because with greater liquidity it is easier for investors to buy or sell securities, and as a result, investors are more likely to pay or receive a competitive price for securities purchased or sold. There may be lower liquidity in extended hours trading as compared to regular market hours. As a result, your order may only be partially executed, or not at all.

Risk of Higher Volatility-Volatility refers to the changes in price that securities undergo when trading. Generally, the higher the volatility of a security, the greater its price swings. There may be greater volatility in extended hours trading than in regular market hours. As a result, your order may only be partially executed, or not at all, or you may receive an inferior price in extended hours trading than you would during regular market hours.

Risk of Changing Prices-The prices of securities traded in extended hours trading may not reflect the prices either at the end of regular market hours, or upon the opening the next morning. As a result, you may receive an inferior price in extended hours trading than you would during regular market hours.

Risk of Unlinked Markets-Depending on the extended hours trading system or the time of day, the prices displayed on a particular extended hours trading system may not reflect the prices in other concurrently operating extended hours trading systems dealing in the same securities. Accordingly, you may receive an inferior price in one extended hours trading system than you would in another extended hours trading system.

Risk of News Announcements-Normally, issuers make news announcements that may affect the price of their securities after regular market hours. Similarly, important financial information is frequently announced outside of regular market hours. In

Please return with account paperwork

extended hours trading, these announcements may occur during trading, and if combined with lower liquidity and higher volatility, may cause an exaggerated and unsustainable effect on the price of a security.

Risk of Wider Spreads-The spread refers to the difference in price between what you can buy a security for and what you can sell it for. Lower liquidity and higher volatility in extended hours trading may result in wider than normal spreads for a particular security.

Understanding Your Risks

Cobra Trading would like to inform you of the potential risks of trading online and the inherent risks of trading in an extreme market environment.

When trading online, you should be aware that during periods of high internet traffic, you might experience delays in accessing account data due to system capacity limitations. Additionally, system response times may be adversely affected by increased market volatility conditions, quote delays, system performance and other factors outside the control of Cobra Trading which may include your computer system and internet service provider. You may also experience system outages or delays as a result of, among other things, power failures, programming failures or heavy trading volume. During periods of increased volatility, you might suffer market losses in the price and share volume of a particular stock when systems problems result in an inability to place buy or sell orders. The risk of financial loss in trading online can be substantial; therefore, you should consider whether such trading is suitable for you in light of your circumstances and financial resources.

In the event system capacity problems prevent our automated routing systems from sending your order(s) to designated market centers for execution, we encourage you to contact our Trading Desk for manual handling of your orders. We ask for your patience, during those times, because the Trading Desk will be experiencing heavy call volume. Please keep in mind that Cobra Trading takes significant measures to improve system capacity and reliability; however, you should have an alternate means of trading your securities including a back-up account at another securities brokerage firm.

During extreme market conditions, you might experience delays in order executions because market making firms will temporarily discontinue normal automatic order execution standards and switch to a manual order process, and/or reduce their size guarantees on individual stocks. You may also experience executions at prices significantly away from the market price quoted or displayed at the time an order was entered, less shares than desired, or losses. To potentially reduce your risk of receiving an execution away from the market, it is a good idea to use limit orders rather than market orders in a fast moving market.

Choosing the right type of order:

A **market order** is an order to buy or sell a stated amount of a security at the best possible price at the time the order is received in the marketplace. Market orders will definitely be filled; however, you cannot be sure of the price. Stock prices vary based on current conditions, and these conditions are not always reflected on your computer screen. The actual price at which your order is filled may be better or worse than you expected.

A **limit order** is an order to buy or sell a security at a specified price or better. Your order will not be filled unless the stock trades at that level. Placing a limit order, however, is not a guarantee that your trade will be executed at your limit price. It does, however, eliminate the risk that your order will be filled at a price worse than you expected.

A **stop order** is an order to buy or sell a stock at the market price once the price reaches or passes through a specified price, called the "stop price." This type of order is used by investors who own a stock and want to make sure they sell it if the stock price starts to drop. The stop price placed on a sell stop order must be below the current bid price of the security. Stop orders in volatile issues will not guarantee you an execution at or near the stop price. Once triggered, the order competes with other incoming market orders. Stop orders can be placed for buy orders as well. The stop price specified for a buy order must be above the current asking price.

A **stop limit order** performs like a stop order with one major exception. Once the order is activated (by the stock trading at or "through" the stop price), it does not become a market order. Instead, it becomes a limit order with a limit price equal to the former stop price. The advantage of this order is that you set a specified price at which your order can be filled. The disadvantage is that your order may not be filled in certain fast market conditions. In this case, your exposure to loss will continue until the position is closed.

You should pick the type of order that is best suited for your situation and which considers current market conditions. Your orders are accepted only on an unsolicited basis. You are solely responsible for any and all orders placed in your account(s) and at your own risk. Cobra Trading does not make any recommendations whatsoever regarding any security or securities product. Additionally, your account(s) are accepted on a fully disclosed basis and solely at the discretion of Cobra Trading and Wedbush Securities., the company's clearing firm. Wedbush Securities provides all clearing, settlement and other related services for your account(s).

I acknowledge that all orders are at my sole risk.

Order Handling and Execution

In handling any order that I submit, I acknowledge and accept that Cobra may first route such order to an affiliated or unaffiliated Cobra selected execution venue or broker-dealer, and if such order is not fully or partially executed, then direct the whole or remainder of such order, based on my instructions, to one of various market centers, including NASDAQ, an exchange, or an electronic communications network, with which Cobra maintains a relationship. There is no guarantee that any order will be accepted or processed by any particular broker-dealer or market center that matches orders for execution, and Cobra is not responsible for any losses caused by the failure of any such broker-dealer or market center to receive, accept, or execute an order that I submit. Cobra retains the right to change its processes and procedures pertaining to order execution, and the entities with which it maintains relationships for these purposes, without prior notice to me. Certain orders, at Cobra's sole discretion, may be subject to manual review and entry, which may cause delays in the execution of my orders and may cause my orders to be executed at prices that are significantly different from the price quotes I obtained when I entered my order.

Further, I understand Cobra Trading will place pre- and post-trade risk settings on my account at their discretion and that these settings may be updated or modified at any time without prior notice to me. Margin Risk Disclosure

Margin Trading Risk Disclosure (FINRA Rule 2264)

Cobra Trading is furnishing this document to you to provide some basic facts about purchasing securities on margin, and alert you to the risks involved with trading securities in a margin account. Before trading stocks in a margin account you should carefully review the margin agreement provided by Cobra Trading. Please consult a Cobra Trading representative regarding any questions or concerns you may have with your margin account.

When you purchase securities you may pay for the securities in full or you may borrow part of the purchase price from Cobra Trading. If you choose to borrow funds from Cobra Trading you will open a margin account. The securities purchased are Cobra Trading's collateral for the loan to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and as a result, Cobra Trading can take action such as issue a margin call and/or sell securities in your account in order to maintain the required equity in the account.

It is important that you fully understand the risks involved in trading securities on margin, including:

You can lose more funds than you deposit in the margin account – A decline in the value of securities that are purchased on margin may require you to provide additional funds to the firm that has made the loan to avoid the forced sale of those securities or other securities in your account.

The firm can force the sale of securities in your account – If the equity in your account falls below the maintenance margin requirements under the law or the firm's higher "house" requirements, the firm can sell the securities in your account to cover the margin deficiency. You also will be responsible for any shortfall in the account after such a sale.

The firm can sell your securities without contacting you – Some investors mistakenly believe that a firm must contact them for a margin call to be valid, and that the firm cannot liquidate securities in their accounts to meet the call unless the firm has contacted them first. This is not the case. Most firms will attempt to notify their customers of margin calls but they are not required to do so. However, even if a firm has contacted a customer and provided a specific date by which the customer can meet a margin call the firm can still take necessary steps to protect its financial interests, including immediately selling the securities without notice to the customer.

You are not entitled to choose which security in your account should be liquidated to meet a margin call – Because the securities are collateral for the margin loan, the firm has the right to decide which security to sell in order to protect its interests.

The firm can increase its "house" maintenance margin requirements at any time – The firm is not required to provide you with advance written notice. These changes in firm policy often take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may cause the member to liquidate or sell the securities in your account.

You are not entitled to an extension of time on a margin call – While an extension of time to meet margin requirements may be available to customers under certain conditions a customer does not have a right to the extension.

Options Trading Risk Disclosure

Options involve risks and are not suitable for all investors. It is very important that option investors read the Characteristics and Risks of Standardized Options (Option Disclosure Document) before engaging in options trading. Cobra Trading also would like to inform investors of the inherent risks of trading the following strategies:

1. Bullish strategies have greater risk of loss in falling markets.
2. Neutral strategies have greater risk of loss in volatile markets.
3. Bearish strategies have greater risk of loss in rising markets.

Investors are obligated to monitor their options position(s) especially as the expiration date approaches.

Anti-Money Laundering Notice for Cobra Trading

Important Information You Need to Know about Opening a New Account

To help the government fight the funding of terrorism and money laundering activities, federal law requires financial institutions to obtain, verify and record information that identifies each person who opens an account.

This notice answers some questions about your firm's Customer Identification Program.

What types of information will I need to provide?

When you open an account, your firm is required to collect the following information:

- Name
- Date of birth
- Address
- Identification number:
 - U.S. citizen: taxpayer identification number (Social Security number or employer identification number)
 - Non-U.S. citizen: taxpayer identification number; passport number and country of issuance; alien identification card number; or government-issued identification showing nationality, residence and a photograph of you.

You may also need to show your driver's license or other identifying documents.

A corporation, partnership, trust or other legal entity may need to provide other information, such as its principal place of business, local office, employer identification number, certified articles of incorporation, government-issued business license, a partnership agreement or a trust agreement.

U.S. Department of the Treasury, Securities and Exchange Commission, FINRA and New York Stock Exchange rules already require you to provide most of this information. These rules also may require you to provide additional information, such as your net worth, annual income, occupation, employment information, investment experience and objectives and risk tolerance.

What happens if I don't provide the information requested or my identity can't be verified?

Your firm may not be able to open an account or carry out transactions for you. If your firm has already opened an account for you, they may have to close it.

CUSTOMER MARGIN ACCOUNT AGREEMENT (AGREEMENT)

I.E. Code	Account Number

To: *Cobra Trading Inc.*

(Name of Securities Firm)

Relative to maintaining a margin account with you through the facilities of your correspondent clearing agent (the "Clearing Agent") whereupon the Clearing Agent may extend credit to the undersigned, the undersigned understands and concurs with the provisions of this Agreement.

- CORRESPONDENT ARRANGEMENT:** Under a correspondent arrangement, the undersigned's margin account is to be carried, cleared and maintained by your Clearing Agent pursuant to a written agreement between you and the Clearing Agent, which provides, in part, that the undersigned will continue to be your customer and not the customer of the Clearing Agent. Credit may be extended by the Clearing Agent to the undersigned in accordance with this Agreement.
- DISCLOSURE STATEMENT:** The undersigned acknowledges receipt of the current Disclosure Statement concurrently furnished with this Agreement. This Agreement is expressly made in reference to the disclosures set forth in such statement.
- APPLICABLE RULES AND REGULATIONS:** All transactions under this Agreement shall be subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market, and its clearing and depository facilities, where executed, to all governmental acts and statutes and applicable rules and regulations made thereunder and to all applicable judicial and administrative decisions or interpretations. Whenever any statute shall be enacted, or any rule or regulation shall be prescribed or promulgated by any exchange or association of which you or your Clearing Agent is a member, the Securities and Exchange Commission, the Commodities Futures Trading Commission or the Board of Governors of the Federal Reserve System, or whenever any final decision or interpretation shall be issued by any court or administrative body of competent jurisdiction which shall affect in any manner or be inconsistent with any of the provisions of this Agreement, those provisions shall be deemed modified or superseded, as the case may be, by such act, statute, rule, regulation, decision or interpretation. All other provisions of this Agreement, and the provisions as so modified or as so superseded, shall in all respects continue and be in full force and effect.
- DEFINITION:** For purposes of this Agreement "securities or other property" as used herein shall include, but not be limited to monies, securities, financial instruments and commodities of every kind and nature, and all contracts and options relating thereto, whether for present or future delivery. The "undersigned" shall mean the customer or joint customer, as applicable.
- LIEN:** All securities or other property which you, your Clearing Agent or other agents of yours or of your Clearing Agent may at any time be carrying or maintaining for the undersigned or which may at any time be in your or your Clearing Agent's possession or control for any purpose, including safekeeping, shall be held as security for the payment of any liability of the undersigned to your Clearing Agent irrespective of whether advances have been made in connection with such securities or other property and irrespective of the number of accounts the undersigned may have with you or your Clearing Agent.
- PLEDGES OF SECURITIES OR OTHER PROPERTY:** All securities or other property, presently or in the future, carried or maintained by the Clearing Agent for the undersigned (either individually, or jointly with others), may be held in the Clearing Agent's name or the name of any nominee and may, from time to time and without notice to the undersigned, be carried in general loans and may be pledged, re-pledged, hypothecated, or re-hypothecated, or loaned either to the Clearing Agent or to others, separately or in common with other securities or other property, for any amount due in the accounts of the undersigned or for any greater amount, and without retaining possession or control for delivery a like amount of similar securities or other property. After receipt of demand for delivery and the undersigned becoming entitled to delivery, the Clearing Agent shall have a reasonable time to ship securities or other property from Los Angeles, California, or from any other place where such may be located, to the place where such are to be delivered to the undersigned.
- MAINTENANCE MARGIN REQUIREMENTS:** The undersigned shall at all times maintain acceptable collateral in the form of securities or other property in sufficient amounts as may be required by the Clearing Agent from time to time for the Clearing Agent's protection or to meet the requirements of various regulatory bodies ("maintenance margin"). The amount of maintenance margin required by the Clearing Agent may vary depending on the type of collateral (stocks, corporate bonds, municipal and government bonds, etc.) in the account and/or on the quantity of such collateral in terms of high concentration factors and/or illiquid trading markets for such collateral. The undersigned understands that although the Clearing Agent does not limit the factors which may require additional collateral, factors such as market fluctuations, unusual or volatile market conditions, high concentrations, precipitous market declines, illiquid trading markets, quality of collateral or the overall credit standing of the account shall be considered. Notwithstanding the foregoing, additional collateral may be required in the Clearing Agent's discretion. The undersigned further acknowledges and agrees that, in the event a maintenance margin deficiency exists, the Clearing Agent may liquidate (but the Clearing Agent shall not be required to do so) all or any part of the collateral in the account. The Clearing Agent may liquidate the collateral as the Clearing Agent, in its discretion, shall deem appropriate in view of the prevailing market conditions at such time. Such action by the Clearing Agent to liquidate all or any part of the collateral, whether in a single transaction or in a series of transactions of the same or of different collateral, could result in a deficit for which the undersigned shall remain liable to the Clearing Agent.
THE UNDERSIGNED CLEARLY UNDERSTANDS THAT, NOTWITHSTANDING ANY GENERAL POLICY TO GIVE NOTICE OF A MAINTENANCE MARGIN DEFICIENCY, THERE IS NO OBLIGATION TO REQUEST ADDITIONAL MARGIN IN THE EVENT THE UNDERSIGNED'S ACCOUNT FALLS BELOW THE MINIMUM MARGIN REQUIREMENTS. MORE IMPORTANTLY, THERE MAY WELL BE CIRCUMSTANCES WHERE THE CLEARING AGENT MAY LIQUIDATE SECURITIES AND OTHER PROPERTY IN THE ACCOUNT OF THE UNDERSIGNED WITHOUT NOTICE TO THE UNDERSIGNED IN ORDER TO SATISFY THE CLEARING AGENT'S MAINTENANCE REQUIREMENTS.
- LIQUIDATION:** NOTWITHSTANDING OTHER PROVISIONS, THE CLEARING AGENT IS AUTHORIZED AT ITS DISCRETION TO CLOSE THE ACCOUNT IN WHOLE OR IN PART WHENEVER THE CLEARING AGENT CONSIDERS IT NECESSARY FOR ITS PROTECTION. IN ADDITION, THE OCCURRENCE OF EITHER OF THE FOLLOWING EVENTS SHALL BE CONSIDERED A DEFAULT BY THE UNDERSIGNED ENTITLING THE CLEARING AGENT, IN ITS DISCRETION, TO CLOSE THE ACCOUNT: (A) ONE OR MORE OF THE UNDERSIGNED ARE JUDICIALLY DECLARED INCOMPETENT OR DIES, OR A PETITION IN BANKRUPTCY OR FOR THE APPOINTMENT OF A RECEIVER BY OR AGAINST ONE OR MORE OF THE UNDERSIGNED IS FILED, OR AN ATTACHMENT IS LEVIED AGAINST ONE OR MORE OF THE UNDERSIGNED'S ACCOUNTS; OR (B) THE COLLATERAL DEPOSITED TO PROTECT THE UNDERSIGNED'S ACCOUNT IS DETERMINED BY THE CLEARING AGENT IN ITS DISCRETION, AND REGARDLESS OF MARKET QUOTATIONS, TO BE INADEQUATE TO PROPERLY SECURE THE ACCOUNT. IN CONNECTION THEREWITH, THE CLEARING AGENT MAY SELL ANY OR ALL OF THE SECURITIES OR OTHER PROPERTY WHICH MAY BE IN ITS POSSESSION OR CONTROL, OR WHICH MAY BE CARRIED OR MAINTAINED BY THE CLEARING AGENT OR ITS AGENTS FOR THE UNDERSIGNED, OR THE CLEARING AGENT MAY "BUY IN" ANY SECURITIES OR OTHER PROPERTY OF WHICH THE ACCOUNT OR ACCOUNTS OF THE UNDERSIGNED MAY BE SHORT, OR CANCEL ANY OUTSTANDING ORDERS SO AS TO TERMINATE ANY COMMITMENT MADE IN BEHALF OF THE UNDERSIGNED. SUCH SALE, PURCHASE OR CANCELLATION MAY BE MADE ACCORDING TO THE CLEARING AGENT'S JUDGEMENT AND BE MADE, AT ITS DISCRETION, ON ANY EXCHANGE OR OTHER MARKET WHERE SUCH BUSINESS IS CUSTOMARILY TRANSACTED, OR AT PUBLIC AUCTION OR AT PRIVATE SALE, WITHOUT ADVERTISING THE SAME AND WITHOUT NOTICE TO THE UNDERSIGNED OR TO THE PERSONAL REPRESENTATIVES OF THE

UNDERSIGNED, AND WITHOUT PRIOR TENDER, DEMAND OR CALL OF ANY KIND UPON THE UNDERSIGNED OR UPON THE PERSONAL REPRESENTATIVES OF THE UNDERSIGNED. THE CLEARING AGENT MAY (BUT SHALL NOT BE OBLIGATED TO) PURCHASE THE WHOLE OR ANY PART THEREOF FREE FROM ANY RIGHT OF REDEMPTION OR THE CLEARING AGENT MAY TRANSFER THE WHOLE OR ANY PART THEREOF OR THE RIGHTS THERETO TO THE UNDERSIGNED; AND, IN ANY SUCH EVENT, THE UNDERSIGNED SHALL REMAIN LIABLE FOR ANY DEFICIENCY. IT IS UNDERSTOOD THAT A PRIOR TENDER, DEMAND, CALL OF ANY KIND, OR PRIOR NOTICE FROM THE CLEARING AGENT OF THE TIME AND PLACE OF SUCH SALE OR PURCHASE SHALL NOT BE CONSIDERED A WAIVER OF THE CLEARING AGENT'S RIGHT TO SELL OR BUY ANY SECURITIES OR OTHER PROPERTY IN ITS POSSESSION OR CONTROL, OR OWED THE CLEARING AGENT BY THE UNDERSIGNED, AT ANY TIME WITHOUT PRIOR TENDER, DEMAND, CALL OR NOTICE.

9. **PAYMENT OF INDEBTEDNESS UPON DEMAND:** The undersigned undertakes, upon demand, to discharge the undersigned's obligations to the Clearing Agent, or, in the event of a closing of any account of the undersigned in whole or in part by the Clearing Agent or the undersigned, to pay the deficiency, if any, and the undersigned agrees to reimburse the Clearing Agent for any costs or expenses incurred in collecting such amounts, including reasonable attorney's fees.
10. **EXECUTION OF ORDERS:** All orders given by the undersigned for the purchase or sale of securities or other property, which may be traded on more than one exchange or market, may be executed on any exchange or market.
11. **RIGHT TO TRANSFER MONIES AND SECURITIES:** All transactions for or in connection with the undersigned's account shall be deemed to be included in a single account notwithstanding the fact that such transactions may be segregated on the Clearing Agent's records into separate accounts, either severally or jointly with others. At any time and from time to time, the Clearing Agent may without notice to the undersigned apply and transfer any or all monies, securities, and/or other property of the undersigned interchangeably between any accounts of the undersigned other than from or to a related commodity account.
12. **INTEREST CHARGES:** Debit balances in the account of the undersigned shall be charged with interest in accordance with the Clearing Agent's usual custom and as permitted by the laws of the State of California and with such other charges as may be made to cover the Clearing Agent's facilities and extra services. It is understood and agreed that the interest charge made to the undersigned's account at the close of one charge period will be compounded, that is, added to the opening balance for the next charge period unless paid, thereby becoming part of the principal amount and bearing like interest. There may be an administrative fee charged to the undersigned's account in the form of an interest rate increase of not more than four percent which will be determined by you and paid directly to you by the Clearing Agent. It is further understood and agreed that the rate of interest charged may be changed by the Clearing Agent from time to time, and without notice, based on money market conditions and other factors, and that the procedures employed by the Clearing Agent in charging and computing interest are as set forth in the current Disclosure Statement which has been delivered to the undersigned, or in any subsequent Disclosure Statement which the Clearing Agent may send the undersigned.
A short sale is a margin transaction subject to the same risks of using margin along with additional risks. When you execute a short sale, you sell a security that you do not own. The Clearing Agent borrows the security on your behalf for delivery to the purchaser. The price of covering your short position may be higher than the price at which you sold short; therefore, you may sustain a loss on that transaction. You are liable for commissions and other costs of short sale transactions and for any debit balance that remains after the Clearing Agent covers or closes out a short position. When the Clearing Agent borrows securities for you in any account, it is obligated to return the securities to the lender on demand. If you are unable to cover a short position (either through delivery of the security or through the Clearing Agent's "buying in" your position) in enough time for the Clearing Agent to deliver the security to its lender, you agree to pay the Clearing Agent for the losses it sustains as a result of the failure to deliver. Short selling may involve the Clearing Agent borrowing the securities at a negative interest rate and certain minimums on low priced securities. The negative interest rate can vary daily, sometimes significantly, and you agree to these charges without notification.
In some circumstances, the Clearing Agent may incur additional charges from outside lenders in connection with borrowing the security(ies) on your behalf. These unallocated borrow costs are computed separately from the interest charges on short transactions. The Clearing Agent will allocate these additional costs to your account until the original borrow is closed out. Below is a description of additional costs that may be charges to you by the Clearing Agent in connection with any short sale executed on your account:
 - 1) Continuous Net Settlement ("CNS") Fail to Receive: Most U.S. equity trades are cleared and settled through the Continuous Net Settlement ("CNS") system. If, for any reason, after purchasing shares to cover your short sale, the trade does not settle or the Clearing Agent does not receive the shares to close out the original borrow, the borrow still remains open until the Clearing Agent is able to receive the shares to deliver to the lender and close out the original borrow. If this occurs, the Clearing Agent will allocate the additional borrow cost to your account until the original borrow is closed out.
 - 2) Buy-To-Cover/Broker Fail: When you purchase to cover a short position, it can occasionally be dropped from the standard CNS process and results in a "Broker Fail to Receive." It could take several days to receive shares from a contra-broker, especially for hard-to-borrow securities. If this occurs, the original borrow remains open, and the Clearing Agent will allocate the additional borrow cost to your account until the original borrow is closed out.
 - 3) Borrow Return: In the securities finance market, once shares are borrowed, they can be returned by 11:00 AM Eastern Time. This borrow return cutoff time could cause additional cost to the Clearing Agent when shares are received after the return cutoff time from the counterparty. The Clearing Agent is charged borrow costs for one extra day as the shares are not returned until the next morning. If this occurs, the Clearing Agent will allocate the extra day of borrow cost to your account.
 - 4) Prime Broker Settlement: Prime Brokers act as intermediaries between short sellers and counterparties. When Prime Broker trades are not booked and matched correctly with information on record with the executing broker, the trade cannot be matched and settlement fails or is delayed. It is therefore critical that you provide accurate settlement instructions that match those of the executing broker. If the Clearing Agent is charged additional borrow costs in connection with the Prime Broker's inability or delayed ability to book and match a trade, the Clearing Agent will allocate the additional borrow cost to your account until the original borrow is closed out.
 - 5) Free Receive of Deposit/Withdrawal at Custodian ("DWAC"): There are instances when the original borrow is not closed out for a day because shares are delivered either free-of-payment or through DWAC. These shares can be used to close out a borrow the next day. If the Clearing Agent is charged additional borrow costs in connection with Free Receive or DWAC settlements, the Clearing Agent will allocate the additional borrow cost to your account until the borrow is closed out.
 - 6) Round Lot: A security is always borrowed in round lots while short positions may not always be available in round lots. The Clearing Agent is charged for additional borrowed shares of the round lots beyond your short position. In such event, the Clearing Agent will allocate the additional borrow cost to your account.
13. **REPRESENTATION AS TO SECURITIES TRANSACTIONS:** When entering a sell order, the undersigned shall designate it as either a "long sale" or "short sale" and hereby authorizes that all such sell orders be properly identified on the records as either long sales or short sales. Any sell order which the undersigned shall designate as being a long sale shall be for securities then owned by the undersigned, and if such securities are not presently held by the Clearing Agent or its agents in the account of the undersigned, the placing of such sell order shall constitute a representation that the undersigned shall

deliver such securities forthwith. Further, in cases involving the sale of securities or other property by the undersigned that results in the Clearing Agent's inability to deliver such to the purchaser or purchaser's agent due to failure by the undersigned to effect the delivery of such sold securities or other property in good deliverable form subject to no transfer restrictions, the undersigned authorizes the Clearing Agent, at its discretion, to borrow or to "buy in" such securities or other property in order to effect delivery. The undersigned agrees to be fully responsible for all losses and added expenses which the Clearing Agent may sustain by reason of its inability to borrow or as a result of buying in such securities or other losses and expenses which the Clearing Agent may sustain by reason of its inability to borrow or as a result of buying in such securities or other property. All securities transactions executed on behalf of the undersigned shall be on an agency basis, unless otherwise disclosed by formal trade notification or other writing that a specific transaction shall have been on a dealer basis. Transaction reports concerning the execution of orders and account statements of the undersigned shall be conclusive if not objected to in writing promptly.

14. **PRESUMPTION OF RECEIPT OF COMMUNICATIONS:** Communications may be sent to the undersigned at the address indicated in the Clearing Agent's records from time to time, and all communications so sent, whether by mail, telegram, messenger or otherwise shall be deemed given to the undersigned personally, whether actually received or not.
15. **LAWS OF THE STATE OF CALIFORNIA:** The provisions of this Agreement shall in all respects be construed according to, and the rights and liabilities of the parties hereto shall in all respects be governed by, the laws of the State of California.
16. **SEPARABILITY:** If any provision of this Agreement is determined to be unenforceable, such determination shall not affect the validity of the remaining provisions of this Agreement
17. **OBLIGATIONS CONTINUOUS:** The provisions of this Agreement shall be continuous and cover individually and collectively all accounts maintained by the Clearing Agent that the undersigned may open or reopen and shall inure to the benefit of the Clearing Agent, its successors and assignees and shall be binding upon the undersigned and/or the estate, heirs, executors, personal representatives, administrators and assignees of the undersigned.
18. **REPRESENTATIONS AS TO CAPACITY TO ENTER INTO AGREEMENT:** The undersigned, if an individual, represents that the undersigned is of legal age, and, unless otherwise specifically disclosed in writing herewith, that the undersigned is not an employee of any exchange, or of any corporation of which any exchange owns a majority of the capital stock, or of a member of any exchange or of a member firm or member corporation registered on any exchange, or of a bank, trust company, insurance company or of any corporation, firm or individual engaged in the business of dealing, either as broker or as principal, in securities, bills of exchange, acceptances or other forms of commercial paper. The undersigned further represents that no one except the undersigned has an interest in the account or accounts of the undersigned maintained by the Clearing Agent, and that the undersigned shall cause notification to the Clearing Agent in writing of any change.
19. **JOINT AND SEVERAL LIABILITY:** If the undersigned consists of more than one individual, the obligations under this Agreement shall be joint and several.
20. **DISCLOSURE OF FINANCIAL INFORMATION:** The undersigned understands that, in connection with this Agreement, an investigation may be made whereby information is obtained relative to the undersigned's character, general reputation, and credit worthiness, and that the undersigned has the right to make a written request within a reasonable period of time for a complete and accurate disclosure of additional information concerning the nature and scope of this investigation.
21. **EXTRAORDINARY EVENTS:** The Clearing Agent shall not be liable for losses caused directly or indirectly by government restrictions, exchange or market rulings, suspension of trading, war, strikes or other conditions beyond the Clearing Agent's control.
22. **CONTROL AND RESTRICTED SECURITIES:** In connection with any securities subject to resale limitations under Rule 144 or Rule 145 of the Securities Act of 1933, as amended (the "Act"), held by the Clearing Agent or its agents on behalf of the undersigned, the undersigned grants unto the Clearing Agent irrevocable power to execute stock powers, and to execute and file Form 144 and other applicable documents as required by the Act on behalf of the undersigned.
23. **MODIFICATIONS AND AMENDMENTS TO AGREEMENT:** Except as herein otherwise expressly provided, no provision of this Agreement may be waived, altered, modified or amended unless such waiver, alteration, modification or amendment is in writing and signed by a duly authorized officer as designated by the Clearing Agent.
24. **HEADINGS:** The heading of each provision hereof is for descriptive purposes only and shall not be deemed to modify or qualify any of the rights or obligations set forth in each provision.
25. **ARBITRATION: THIS AGREEMENT CONTAINS A PREDISPUTE ARBITRATION CLAUSE. BY SIGNING AN ARBITRATION AGREEMENT THE PARTIES AGREE AS FOLLOWS:**
 - (A) ALL PARTIES TO THIS AGREEMENT ARE GIVING UP THE RIGHT TO SUE EACH OTHER IN COURT, INCLUDING THE RIGHT TO A TRIAL BY JURY, EXCEPT AS PROVIDED BY THE RULES OF THE ARBITRATION FORUM IN WHICH A CLAIM IS FILED.
 - (B) ARBITRATION AWARDS ARE GENERALLY FINAL AND BINDING; A PARTY'S ABILITY TO HAVE A COURT REVERSE OR MODIFY AN ARBITRATION AWARD IS VERY LIMITED.
 - (C) THE ABILITY OF THE PARTIES TO OBTAIN DOCUMENTS, WITNESS STATEMENTS AND OTHER DISCOVERY IS GENERALLY MORE LIMITED IN ARBITRATION THAN IN COURT PROCEEDINGS.
 - (D) THE ARBITRATORS DO NOT HAVE TO EXPLAIN THE REASON(S) FOR THEIR AWARD UNLESS, IN AN ELIGIBLE CASE, A JOINT REQUEST FOR AN EXPLAINED DECISION HAS BEEN SUBMITTED BY ALL PARTIES TO THE PANEL AT LEAST 20 DAYS PRIOR TO THE FIRST SCHEDULED HEARING DATE
 - (E) THE PANEL OF ARBITRATORS WILL TYPICALLY INCLUDE A MINORITY OF ARBITRATORS WHO WERE OR ARE AFFILIATED WITH THE SECURITIES INDUSTRY.
 - (F) THE RULES OF SOME ARBITRATION FORUMS MAY IMPOSE TIME LIMITS FOR BRINGING A CLAIM IN ARBITRATION. IN SOME CASES, A CLAIM THAT IS INELIGIBLE FOR ARBITRATION MAY BE BROUGHT IN COURT.
 - (G) THE RULES OF THE ARBITRATION FORUM IN WHICH THE CLAIM IS FILED, AND ANY AMENDMENTS THERETO, SHALL BE INCORPORATED INTO THIS AGREEMENT.

BY SIGNING THE ACCOUNT AGREEMENT, TAXPAYER CERTIFICATION AND BENEFICIAL OWNERSHIP ELECTION FORMS (THE "AGREEMENT") YOU AGREE, AND BY ESTABLISHING AN ACCOUNT FOR YOU, WE AND OUR CLEARING FIRM AGREE THAT ALL CONTROVERSIES WHICH MAY ARISE BETWEEN YOU AND OUR FIRM AND/OR OUR CLEARING AGENT (OR ANY OF OUR/THEIR OFFICERS, EMPLOYEES OR AGENTS OR ASSIGNEES) CONCERNING ANY TRANSACTION OR THE CONSTRUCTION, PERFORMANCE OR BREACH OF THIS OR ANY OTHER AGREEMENT BETWEEN YOU AND OUR FIRM AND/OR OUR CLEARING AGENT, SHALL BE DETERMINED BY ARBITRATION IN ACCORDANCE WITH THE RULES, THEN IN EFFECT, OF THE FINANCIAL INDUSTRY REGULATORY AUTHORITY, THE NEW YORK STOCK EXCHANGE OR ANY OTHER EXCHANGE OR FORUM OF WHICH OUR FIRM AND/OR OUR CLEARING AGENT IS A MEMBER, AS YOU MAY ELECT. IF YOU DO NOT MAKE SUCH ELECTION BY REGISTERED MAIL SENT TO OUR FIRM AT ITS MAIN OFFICE WITHIN TEN (10) DAYS AFTER THE RECEIPT OF NOTIFICATION FROM OUR FIRM AND/OR OUR CLEARING AGENT REQUESTING SUCH AN ELECTION, THEN YOU AUTHORIZE US TO MAKE SUCH ELECTION ON YOUR BEHALF.

FURTHERMORE, YOU AGREE AND ACKNOWLEDGE, AND OUR FIRM AND OUR CLEARING AGENT AGREE AND ACKNOWLEDGE, THAT NO PERSON SHALL BRING A PUTATIVE OR CERTIFIED CLASS ACTION TO ARBITRATION, NOR SEEK TO ENFORCE ANY PREDISPUTE ARBITRATION AGREEMENT AGAINST ANY PERSON WHO HAS INITIATED IN COURT A PUTATIVE CLASS ACTION; OR WHO IS A MEMBER OF A PUTATIVE CLASS ACTION WHO HAS NOT OPTED OUT OF THE CLASS WITH RESPECT TO ANY CLAIMS ENCOMPASSED BY THE PUTATIVE CLASS ACTION UNTIL: (I) THE CLASS CERTIFICATION IS DENIED; OR (II) THE CLASS IS DECERTIFIED; OR (III) THE CUSTOMER IS

EXCLUDED FROM THE CLASS BY THE COURT. SUCH FORBEARANCE TO ENFORCE AN AGREEMENT TO ARBITRATE SHALL NOT CONSTITUTE A WAIVER OF ANY RIGHTS UNDER THIS AGREEMENT EXCEPT TO THE EXTENT STATED HEREIN.

26. LOAN CONSENT: THE CLEARING AGENT IS HEREBY AUTHORIZED TO LEND, EITHER SEPARATELY OR WITH OTHER SECURITIES, TO EITHER THE CLEARING AGENT AS BROKERS OR TO OTHERS, SECURITIES HELD BY THE CLEARING AGENT ON MARGIN ON BEHALF OF THE UNDERSIGNED. IN CERTAIN CIRCUMSTANCES, SUCH LOANS MAY LIMIT, IN WHOLE OR IN PART, YOUR ABILITY TO EXERCISE VOTING AND OTHER RIGHTS OF OWNERSHIP WITH RESPECT TO THE LOANED OR PLEDGED SECURITIES. DIVIDENDS PAID ON THESE LOANED OR PLEDGED SECURITIES MAY BE PAID IN THE FORM OF 'IN LIEU OF DIVIDENDS' THAT MAY NOT QUALIFY AS DIVIDEND INCOME FOR TAX PURPOSES.
- THE UNDERSIGNED ACKNOWLEDGES THAT THIS AGREEMENT ALSO CONTAINS A PREDISPUTE ARBITRATION PROVISION UNDER PARAGRAPH 25 ABOVE, AND A LOAN CONSENT AGREEMENT PROVISION UNDER PARAGRAPH 26 ABOVE.
 - THE UNDERSIGNED FURTHER ACKNOWLEDGES THAT A COPY OF THIS AGREEMENT AND THE "DISCLOSURE STATEMENT – FACTS ABOUT YOUR BORROWING COSTS AND OTHER MATTERS" HAS BEEN FURNISHED TO THE UNDERSIGNED.
 - I HAVE RECEIVED A SEPARATE MARGIN RISKS DISCLOSURE STATEMENT CONCURRENT WITH THIS AGREEMENT.

Special Statement for Uncovered Options Writers

There are special risks associated with uncovered options writing which expose the investor to potentially significant loss. Therefore, this type of strategy may not be suitable for all customers approved for options transactions.

- The potential loss of uncovered call writing is unlimited. The writer of an uncovered call is in an extremely risky position, and may incur large losses if the value of the underlying instrument increases above the exercise price.
- As with writing uncovered calls, the risk of writing uncovered put options is substantial. The writer of an uncovered put option bears a risk of loss if the value of the underlying instrument declines below the exercise price. Such loss could be substantial if there is a significant decline in the value of the underlying instrument.
- Uncovered options writing is thus suitable only for the knowledgeable investor who understands the risks, has the financial capacity and willingness to incur potentially substantial losses, and has sufficient liquid assets to meet applicable margin requirements. In this regard, if the value of the underlying instrument moves against an uncovered writer's options position, the investor's broker may request significant additional margin payments. If an investor does not make such margin payments, the broker may liquidate stock or options positions in the investor's account with little or no prior notice in accordance with the investor's margin agreement.
- For combination writing, where the investor writes both a put and a call on the same underlying instrument, the potential risk is unlimited.
- If a secondary market in options were to become available, investors could not engage in closing transactions, and an options writer would remain obligated until expiration or assignment.
- The writer of an American-style option is subject to being assigned an exercise at any time after he has written the option until the option expires. By contrast, the writer of a European-style option is subject to exercise assignment only during the exercise period.

It is expected that you read the Characteristics and Risks of Standardized Options booklet, which we have provided to you and can be found at <https://www.theocc.com/about/publications/character-risks.jsp>. In particular, please direct your attention to the chapter entitled Principal Risks of Options Positions. This statement is not intended to enumerate all of the risk entailed in writing uncovered options.

I agree not to enter into any options transactions until I have received, read, and understood the disclosure document entitled Characteristics and Risks of Standardized Options, which can be found at <https://www.theocc.com/about/publications/character-risks.jsp>. I am aware of the special risks and obligations of options trading. I have read, understood, and agree to be bound by the Cobra Trading options trading terms and conditions outlined in the Options Supplement of the Cobra Customer Agreement and as amended from time to time.

I ACKNOWLEDGE THAT THIS AGREEMENT ALSO CONTAINS A PREDISPUTE ARBITRATION PROVISION UNDER PARAGRAPH 9 OF THE DISCLOSURE STATEMENT - FACTS ABOUT YOUR BORROWING COSTS AND OTHER MATTERS

In connection with any transactions in options which have been or may be purchased, sold, exercised or endorsed for the undersigned's account with a Broker, Cobra Trading, Inc., the undersigned agrees as follows:

1. Limits. The undersigned shall not, acting alone or in concert with others, exceed the position/exercise limits set forth by any exchange or market or by any other regulatory authority having jurisdiction.

2. Authority, Execution of Orders, Security Interest. The undersigned hereby authorizes Cobra Trading in its discretion, should Cobra Trading deem it necessary for Cobra Trading's protection for any reason, including death of the undersigned, to buy, sell, or sell short for the undersigned's account any risk, puts, calls or other forms of option and/or to buy, sell or sell short any part or all of the underlying shares represented by options endorsed by Cobra Trading for the undersigned's account. Any and all expenses incurred by Cobra Trading in connection with such transactions shall be reimbursed by the undersigned to Cobra Trading. The undersigned understands and acknowledges that when transactions on the undersigned's behalf are to be executed and the options are traded in more than one marketplace Cobra Trading may use its discretion in selecting the market in which to enter the undersigned's order unless the undersigned specifically instructs otherwise. All monies, securities, or other property which Cobra Trading may hold in any account of the undersigned shall be held subject to a general lien for the discharge of the undersigned's obligations to Cobra Trading under this Agreement or otherwise. The decision to enter into options transactions was made entirely by the undersigned without any investment advice from Cobra Trading.

3. Notice, Exercise, Random Allocation. The undersigned is aware of Cobra Trading's requirements and time limitations for accepting an exercise notice and expiration date. The undersigned understands that the undersigned may not receive actual notice of exercise until the week following exercise. The undersigned bears full responsibility for taking action to exercise or sell valuable options; however, in the absence of the undersigned notifying Cobra Trading, Inc. to exercise a valuable options contract by 3 p.m. Central Standard Time on the last business day prior to the expiration date of the options contract, and instructing Cobra Trading to sell valuable options on the undersigned's behalf within such time, the undersigned agrees that Cobra Trading may exercise the options contract on the undersigned's behalf. In the event of such exercise, the profit in excess of commission costs created thereby will be credited to the undersigned's account. In the event that the commissions to be charged for such an expiration transaction exceeds the proceeds to be realized, the undersigned agrees and hereby relinquishes the undersigned's ownership in said option to Cobra Trading, and Cobra Trading may exercise such option for its own account. If the undersigned does not instruct the introducing broker to exercise the valuable option by the time stated above, and Cobra Trading for whatever reason, does not exercise such option on the undersigned's behalf, the undersigned hereby waives any and all claims for damage or loss which the undersigned might at the time or any time thereafter have against Cobra Trading arising out of the fact that the option was not exercised. The undersigned is aware that Cobra Trading utilizes a random method of allocation for all option(s) assignments received from the Option Clearing Corporation. Exercise assignment notices for options contracts are allocated among all customers' short positions within that series. This is accomplished by a manual procedure, which randomly selects from among all customer short positions, including positions established on the day of assignment, those contracts which are subject to exercise. All American short positions are liable for assignment at any time. The undersigned understands that a more detailed description of this procedure is available upon request by the undersigned.

4. Uncovered Options. The undersigned agrees that in connection with any uncovered options(s) for the undersigned's account, uncovered options are prohibited in IRA accounts. The undersigned agrees not to sell, during the life of the options in the account, the underlying securities collateralizing such options, including any cash or securities which may accrue on the underlying covered securities until such options are closed, exercised or expired or the undersigned has met the collateral requirements established by Cobra Trading for carrying uncovered options. The undersigned also agrees that Cobra Trading, in its respective sole discretion, may refuse any order to sell such underlying securities received from the undersigned or by means of a "give up" basis through another firm unless, prior to such sale, the undersigned has met the collateral requirements established by Cobra Trading for carrying uncovered options. Cobra Trading has the right, in its sole discretion, to permit the undersigned to apply the proceeds of such sale to such collateral requirements.

5. Risks. The undersigned is aware of the high degree of risk involved in options transactions and has given Cobra Trading, in strict confidence, information to demonstrate that this account and the trading anticipated in connection therewith is not unsuitable for the undersigned in light of the undersigned's investment objectives, financial situation and needs, experience and knowledge. The undersigned agrees to advise Cobra Trading of any changes in the undersigned's investment objectives, financial situation or other circumstances that may be deemed to materially affect the suitability of executing options transactions for the undersigned's account.

6. Options Account Form, Disclosure Documents. The undersigned has reviewed the contents of the options account form and represents that they are accurate. Although certain types of transactions are indicated as anticipated, Cobra Trading may execute any other types of transactions for the undersigned's account upon the undersigned's instructions. The undersigned has received an Options Disclosure Document relating to options on the categories of underlying securities which the undersigned has been approved for trading.

7. Accounts Carried as Clearing Broker. The undersigned understands that Wedbush Securities is carrying the accounts of the undersigned as clearing broker by arrangement with the undersigned's introducing broker, Cobra Trading, through whose courtesy the account of the undersigned has been introduced to Wedbush Securities. Until receipt from the undersigned of written notice to the contrary, Wedbush Securities may accept and rely upon the introducing broker for (a) orders for the purchase or sale in said account of securities and other property, and (b) any other instructions concerning the undersigned's accounts. The undersigned represents that the undersigned understands that Wedbush Securities acts only to clear trades introduced by the undersigned's introducing broker and to effect other back office functions for the undersigned's introducing broker. The undersigned confirms to Wedbush Morgan Securities that the undersigned is relying for any advice concerning the undersigned's accounts solely on the undersigned's introducing broker. The undersigned understands that all representatives, employees and other agents with whom the undersigned communicates concerning the undersigned's account are agents of the introducing broker, and not Wedbush Securities representatives, employees or other agents. The undersigned understands that Wedbush Securities will not review the undersigned's accounts and will have no responsibility for trades made in the undersigned's accounts, including but not limited to for appropriateness or suitability. Wedbush Morgan Securities shall not be responsible or liable for any acts or omissions of the introducing broker or its representatives, employees or other agents. The execution of any such trades shall not be deemed to be an approval of such trades.

DISCLOSURE STATEMENT-FACTS ABOUT YOUR BORROWING COSTS AND OTHER MATTERS

1. INTEREST POLICY: Understanding how margin charges are calculated is essential for any investor considering or using margin. The information below, provided in conformity with federal securities regulations, is intended to help you understand the terms, conditions, and methods associated with margin interest charges associated with your account.

Your account will be charged on any debit balance in cash accounts or credit extended to or maintained for you by our Clearing Agent. Interest is charged from the date the Clearing Agent begins to extend you credit. For all margin borrowing – regardless of what you use it for- your account will be charged interest at an annual rate. The annual rate of interest is based on the Clearing Agent Base Lending Rate (CABLR) and the daily net debit balance in your account. The CABLR will be set with reference to commercially recognized interest rates, industry conditions relating to the extension of credit, and general credit market conditions. If the CABLR is stated as a range, we may apply the high end of the range. The annual rate of interest you will be charged may vary from a minimum of one percent to a maximum of four percent above the CABLR, depending upon the amount of your daily net debit balance and your broker. Please call your broker for the CABLR and actual rates currently in effect.

Your annual rate of interest may change without prior notice based on the changes in the CABLR and in your daily net debit balance. There may be an administrative fee charged to you, in the form of an interest rate increase of not more than four percent which will be determined by us and paid directly to us by the Clearing Agent. Please call your broker for the actual rates currently in effect.

2. METHOD OF COMPUTING INTEREST: Your account will be charged interest using a 365 day per year factor on the daily net debit balance in your combined account types. Each day your settled money balances in each account type will be combined in determining your daily net debit balance. A daily net debit balance results whenever the total of combined debit balances exceeds the total of combined free credit balances. For purposes of this calculation, free credit balances exclude credit balances in short accounts, and the sales proceeds included in settled balances from transactions in cash accounts involving non-negotiable long positions, technical short positions and uncovered option positions. Short account credit balances are disregarded because the securities sold by you are not available for delivery and collection of the sales proceeds resulting from short sales. Sales proceeds included in settled balances from the other described sales transactions in cash accounts are disregarded because such credit items are not available to our Clearing Agent, until the related securities sold are rendered deliverable. Although the interest charge is calculated daily, it is generally posted once a month and compounded monthly. Interest charges are summarized on your monthly account statement. The summary uses a weighted average of the daily net debit balance (weighted average balance) and an imputed average interest rate for the period shown. The summary is determined by dividing the total amount of the interest charge (calculated on a daily basis using the actual daily net debit balance and the applicable interest rate) by the product of the weighted average balance multiplied by the number of calendar days the account had a daily net debit balance divided by 365 days. A copy of the daily calculation is available upon written request.

3. INTEREST CREDIT POLICY: Your account will be paid interest by our Clearing Agent on qualified free credit balances left on deposit for investment or reinvestment purposes only. Unless you advise otherwise, our Clearing Agent will continue to rely on this representation for credit interest. There may be an administrative fee charged to you, in the form of an interest rate decrease of not more than one-half of one percent which will be determined by us and paid directly to us by the Clearing Agent. Monthly interest amounting to under \$6.00 will not be paid. The Clearing Agent's interest participation policy is non-discriminating, uniform and fair. A free credit balance represents funds payable to you upon demand (including checks deposited pending satisfactory clearance) which, although properly accounted for on the books and records, are not segregated and may be used in the conduct of the firm's business, including the financing of customers' securities purchased on margin (subject to the limitations of Section 240.15c3-3 of the Securities Exchange Act of 1934). You have a right to receive, in the course of normal business operations, upon demand, the delivery of: (a) any free credit balance to which you are entitled; (b) any fully paid security to which you are entitled; and (c) any security purchased on margin upon full payment of any indebtedness.

4. PREPAYMENTS: Prepaid amounts (i.e. instances where the proceeds from sales transactions are paid to you prior to each respective settlement date) are recorded as debit entries in your account on the date of each prepayment. Such prepayments are included in the money balances when calculating daily net debit balances.

5. LIENS & ADDITIONAL COLLATERAL: With respect to all your accounts (either individual or joint with others) carried or maintained by our Clearing Agent containing securities, or other property which has been deposited for any purpose, including safekeeping, our Clearing Agent as pledgee has a general lien on all such property for the discharge of all your obligations to the Clearing Agent, regardless of origin or the number of accounts you may have with such Clearing Agent. The Clearing Agent may require you to deposit additional collateral in accordance with the rules and regulations of various governmental and self-regulatory organizations having jurisdiction over the Clearing Agent. The Clearing Agent also may (but shall have no obligation to) require you to deposit additional collateral as the Clearing Agent, in its sole discretion, determines is needed as additional security for your obligations.

6. MARKING-TO-THE-MARKET: All short positions in your short account will be "marked to the market", which means that the money balance maintained in the short account will be adjusted from time to time to reflect any changes in the market value of the short securities. The opposite side of such adjustments will be reflected in your margin account balance, thus increasing or decreasing the money balance in the margin account, which is the amount used in computing your interest charge. For example, if you are short 1000 shares of XYZ against a credit balance in your short account of \$50,000, and XYZ falls to \$40 per share, the credit balance in your short account will be reduced by \$10,000 and a corresponding \$10,000 credit adjustment will be made in your margin account, thereby decreasing the amount subject to interest by \$10,000.

7. DIVIDEND AND INTEREST PAYMENTS: When you select the payment option, dividends and interest (including other similar distributions) generally will be distributed to you on a monthly basis.

8. CLEARING AGENT'S PRIVACY POLICY: The Clearing Agent collects "nonpublic personal information" from us. This information may be used by them in order to provide the services outlined in the "Letter of Understanding" you signed upon establishing your account with us. On our behalf, they may also submit and collect nonpublic and public information about you to or from consumer and industry reporting agencies. This information may relate to transactions and other activities with us or with others. The Clearing Agent may disclose any information when they believe it necessary to conduct their business, or where disclosure is required by law. The Clearing Agent will not sell any information about you. The Clearing Agent maintains physical and electronic safeguards to protect your nonpublic and public personal information in its possession.

9. THIS AGREEMENT CONTAINS A PREDISPUTE ARBITRATION CLAUSE. BY SIGNING AN ARBITRATION AGREEMENT THE PARTIES AGREE AS FOLLOWS:

- (A) ALL PARTIES TO THIS AGREEMENT ARE GIVING UP THE RIGHT TO SUE EACH OTHER IN COURT, INCLUDING THE RIGHT TO A TRIAL BY JURY, EXCEPT AS PROVIDED BY THE RULES OF THE ARBITRATION FORUM IN WHICH A CLAIM IS FILED.

- (C) THE ABILITY OF THE PARTIES TO OBTAIN DOCUMENTS, WITNESS STATEMENTS AND OTHER DISCOVERY IS GENERALLY MORE LIMITED IN ARBITRATION THAN IN COURT PROCEEDINGS.
- (D) THE ARBITRATORS DO NOT HAVE TO EXPLAIN THE REASON(S) FOR THEIR AWARD UNLESS, IN AN ELIGIBLE CASE, A JOINT REQUEST FOR AN EXPLAINED DECISION HAS BEEN SUBMITTED BY ALL PARTIES TO THE PANEL AT LEAST 20 DAYS PRIOR TO THE FIRST SCHEDULED HEARING DATE.
- (E) THE PANEL OF ARBITRATORS WILL TYPICALLY INCLUDE A MINORITY OF ARBITRATORS WHO WERE OR ARE AFFILIATED WITH THE SECURITIES INDUSTRY.

- (G) THE RULES OF THE ARBITRATION FORUM IN WHICH THE CLAIM IS FILED, AND ANY AMENDMENTS THERETO, SHALL BE INCORPORATED INTO THIS AGREEMENT.

BY SIGNING THE “ACCOUNT AGREEMENT, TAXPAYER CERTIFICATION AND BENEFICIAL OWNERSHIP ELECTION” FORM (THE “AGREEMENT”) YOU AGREE, AND BY ESTABLISHING AN ACCOUNT FOR YOU, WE AND OUR CLEARING FIRM AGREE THAT ALL CONTROVERSIES WHICH MAY ARISE BETWEEN YOU AND OUR FIRM AND/OR OUR CLEARING AGENT (OR ANY OF OUR/THEIR OFFICERS, EMPLOYEES OR AGENTS OR ASSIGNEES) CONCERNING ANY TRANSACTION OR THE CONSTRUCTION, PERFORMANCE OR BREACH OF THIS OR ANY OTHER AGREEMENT BETWEEN YOU AND OUR FIRM AND/OR OUR CLEARING AGENT, SHALL BE DETERMINED BY ARBITRATION IN ACCORDANCE WITH THE RULES, THEN IN EFFECT, OF THE FINANCIAL INDUSTRY REGULATORY AUTHORITY, THE NEW YORK STOCK EXCHANGE OR ANY OTHER EXCHANGE OR FORUM OF WHICH OUR FIRM AND/OR OUR CLEARING AGENT IS A MEMBER, AS YOU MAY ELECT. IF YOU DO NOT MAKE SUCH ELECTION BY REGISTERED MAIL SENT TO OUR FIRM AT ITS MAIN OFFICE WITHIN TEN (10) DAYS AFTER THE RECEIPT OF NOTIFICATION FROM OUR FIRM AND/OR OUR CLEARING AGENT REQUESTING SUCH AN ELECTION, THEN YOU AUTHORIZE US TO MAKE SUCH ELECTION ON YOUR BEHALF.

SUCH FORBEARANCE TO ENFORCE AN AGREEMENT TO ARBITRATE SHALL NOT CONSTITUTE A WAIVER OF ANY RIGHTS UNDER THIS AGREEMENT EXCEPT TO THE EXTENT STATED HEREIN.

Certification Regarding Beneficial Owners of Legal Entity Customers

For Office Use Only: FA	Account Number:	<input type="checkbox"/> New Account	<input type="checkbox"/> Update to Existing Account*
* Please indicate information being updated:			

I. GENERAL INSTRUCTIONS

What is this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, address, date of birth and social security number (or passport number or other similar information, in the case of non-U.S. persons) for the following individuals (i.e., the beneficial owners):

- (i) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g. each natural person that owns 25 percent or more of the shares of a corporation); and
- (ii) An individual with significant responsibility for managing the legal entity customer (e.g. a CEO, CFO, COO, Managing Member, General Partner, President, Vice President, or Treasurer)

The number of individuals that satisfy this definition of “beneficial owner” may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30 percent equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)).

The financial institution may also ask to see a copy of a driver’s license or other identifying document for each beneficial owner listed on this form.

II. CERTIFICATION OF BENEFICIAL OWNER(S)

Persons opening an account on behalf of a legal entity must provide the following information:

a. Name and Title of Natural Person Opening Account:
b. Name, Type, and Address of Legal Entity for Which the Account is Being Opened:

c. The following information for each individual, if any, who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, owns 25 percent or more of the equity interests of the legal entity listed above. If no individual meets this definition, please check "Beneficial Owner Not Applicable" below and skip this section.
